

Resource Finder

a project of the Maryland Center for Developmental Disabilities

The Resource Finder provides a valuable tool for individuals with disabilities, families and professionals to obtain information and access to resources on developmental disabilities and related disorders.

Information about a wide range of developmental disabilities and other conditions, including:

- Attention deficit disorders
- Autism spectrum disorders
- Brain injury
- Cerebral palsy
- Down syndrome
- Feeding disorders
- Learning disorders
- Intellectual disabilities
- Behavior disorders
- Seizure disorders and epilepsy
- Spina bifida
- Spinal cord injury
- And more

***The More You Know,
The More You Can Do.***

Resource Finder Offers:

- Parent and caregiver resources
- Local, state, and national associations
- Educational resources
- Recreational resources
- Workshops and continuing education events
- Child care resources
- A list of service providers and specialists

We are all born with great potential.
Shouldn't we all have the chance to achieve it?

Maryland Center for Developmental Disabilities
