

Inclement Weather Policy

Kennedy Krieger School Programs

Fairmount Campus:

In cases of inclement weather, the Kennedy Krieger Schools operate on **the Baltimore City Public School System** schedule for closings, late openings and early dismissals (late openings on Wednesday will not result in late dismissal).

It is also wise to call the school (443-923-9100) to get information about the status or your child's program by voice mail.

High School:

In cases of inclement weather, the Kennedy Krieger Schools operate on the **Baltimore City Public School System** closing and late opening schedule (late openings on Wednesday will not result in late dismissal).

It is also wise to call the school (443-923-7800) to get information about the status or your child's program by voice mail.

LEAP:

In cases of inclement weather, the Kennedy Krieger Schools operate on **the Baltimore City Public School System** closing and late opening schedule (late openings on Wednesday will not result in late dismissal).

It is also wise to call the school (443-923-7800) to get information about the status or your child's program by voice mail.

Montgomery County Campus:

In cases of inclement weather, the Kennedy Krieger School: Montgomery County Campus operates on the **Montgomery County Public School System** closing and late opening schedule (late openings on Wednesday will not result in late dismissal).

It is also wise to call the school (443-923-4170 or 866-209-9420) to get information about the status or your child's program by voice mail.

General Information: applies to all Kennedy Krieger School Programs

There are times when the Baltimore City Schools and Kennedy Krieger Schools are open but a surrounding county may make an independent decision not to transport due to local conditions. Please be aware of any decisions ***your local school system*** may make in regards to closings, late openings and early dismissals.

Radio and television stations in the Baltimore and Washington metropolitan area provide comprehensive information regarding closings and delays. In addition, WBALTV.com is an internet source for updated information.
